Gautam Parihar

Software Developer (Fresher) | BCA Student

PROFESSIONAL SUMMARY

Motivated BCA student (5th semester) and aspiring software developer with hands-on experience in building responsive websites and interactive web applications using HTML, CSS, JavaScript and Bootstrap. Strong in logic building, clean coding and quick learning. Seeking an internship or entry-level software developer role to contribute to real products and grow as an engineer.

EDUCATION

Bachelor of Computer Applications (BCA) | 2024 - Present
Star Infotech College (currently in 5th semester)

Class 12th | 2023 - 2024
PM SHRI Public School

Class 10th | 2022 - 2023
PM SHRI Public School

TECHNICAL SKILLS

- **Web Technologies:** HTML5, CSS3, JavaScript (ES6)
- **Frameworks / Libraries:** Bootstrap 5
- **Tools:** Git, GitHub, VS Code
- **Concepts:** Responsive design, DOM manipulation, event handling, local storage, problem solving

PROJECTS

Personal Portfolio Website | HTML, CSS, JavaScript, Bootstrap
- Designed and built a fully responsive portfolio with smooth scrolling, scroll animations and a typing effect.
- Created a working contact form that opens Gmail with the visitor's message prefilled.

Calculator | HTML, CSS, JavaScript
- Built a calculator for basic operations (add, subtract, multiply, divide, percentage) with keyboard support.
- Wrote the calculation logic step by step without eval(), handling divide-by-zero and decimal errors.

Stopwatch | HTML, CSS, JavaScript
- Developed a stopwatch with start, pause, resume, reset and lap features, accurate to 10 milliseconds.
- Used the Date object and setInterval to keep the time accurate.

To-Do List App | HTML, Bootstrap, JavaScript
- Created a task manager to add, complete and delete tasks with a live progress counter.
- Saved tasks in the browser using localStorage so data stays after a page refresh.

STRENGTHS

- Quick learner with a strong interest in web development
- Good problem-solving and logical thinking
- Team player with clear communication

INTERESTS

Playing games, listening to music, reading, travelling
